Subject: Clean our river and promote our economy

I'm writing because I want to make sure you know that we want a clean river.

A massive cleanup plan for the Willamette is well-meaning. But I'm concerned that it will also come with unintended consequences of big new costs for government and utilities. We have so many people that are already struggling to keep up with their bills.

Thank you for taking time to read my comments. I wish you luck on finishing a plan that supports our economy and cleans the river.

Sincerely,
